

University Access Centre (UAC)
Bangkok
Thailand

External UAC view - Strategically located in the city, the centre is right next to BTS Phra-Khanong station. The office neighbours are popular local coffee shops and restaurants.

► **External UAC view** - UAC Bangkok is located in the East of Bangkok, just a short 30-minute taxi ride from the international airport. The centre is situated on the 3rd floor of a complex linked to the Jasmine Resort hotel.

- ▶ **External UAC view** - The centre can be found on the 3rd floor of this 5-storey building accessed via the lift or stairs. The visually striking façade and UAC logo are clearly visible to passing pedestrians and visitors

- ▶ **External UAC view** - The UAC brand is also enhanced by the centre's unique interior and sleek design concept which is clearly visible from the outside and often attracts the attention of passing pedestrians, maximising footfall opportunities.

- **Internal UAC view, reception area** - IT savvy, modern reception area with a casual counselling area. The open interior, with hot desking towards the rear allows students and educators to interact freely much like any education exhibition.

- **Internal UAC view, reception area** - The casual multifunction area with its 93-inch display screen can be used for discussing study options with students, having informal chats with parents and interactive agent workshops.

- **Internal UAC view, reception area** - Wi-Fi enabled throughout, the reception area can be used for informal one-to-one counselling or group training.

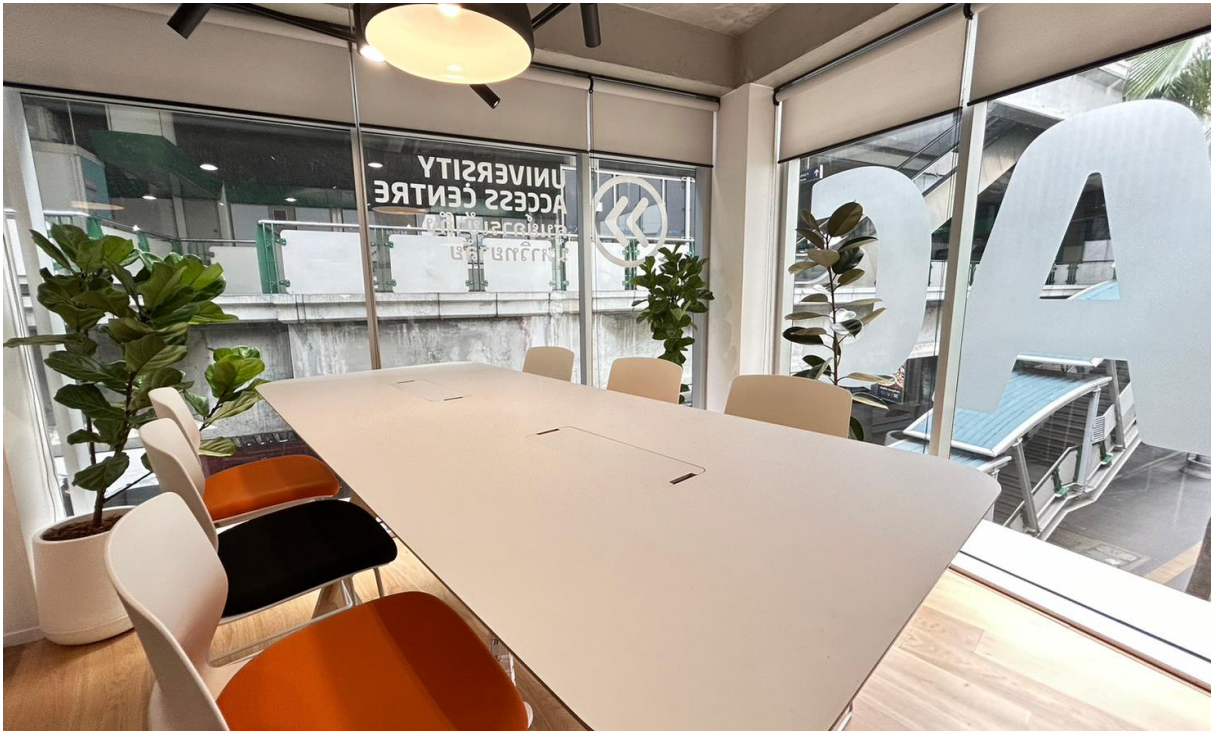

- **Internal UAC view, student & staff storage** - Clean lines, modern and secure. Student lockers to be used for periods of self-study or during on-site testing. The centre has hot and cold drinking water for visitors and staff.

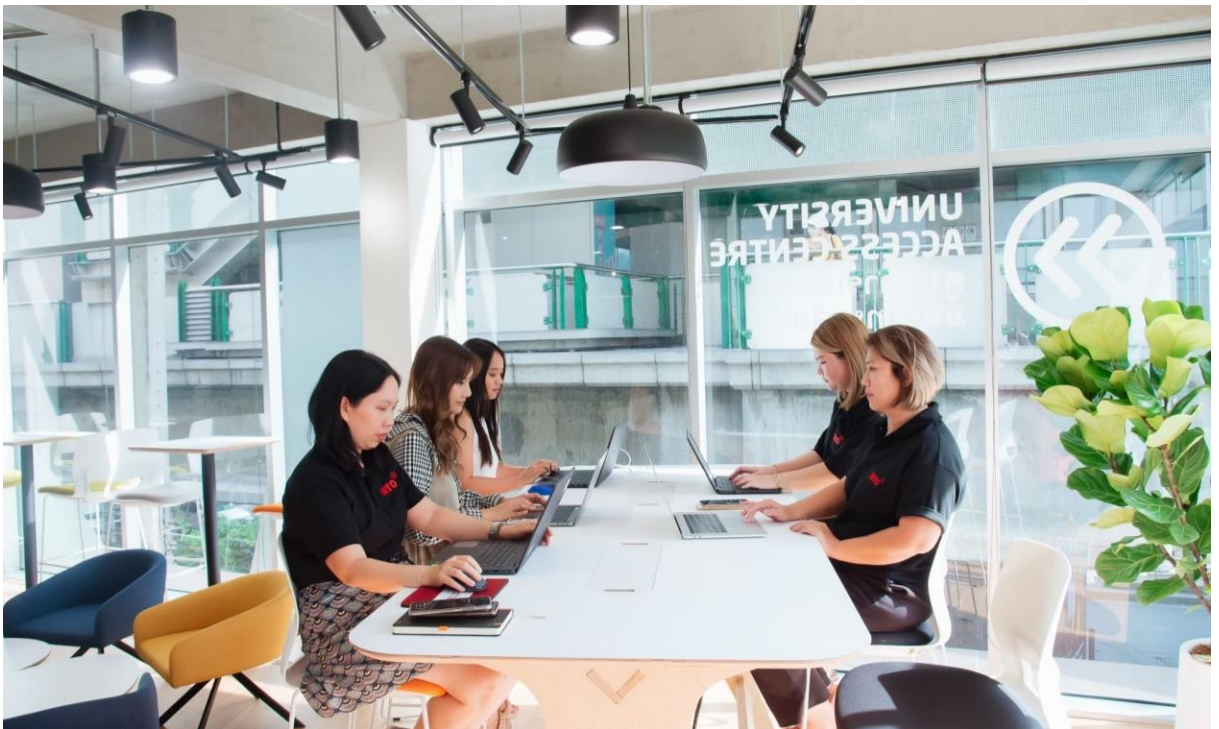

- ▶ **Internal UAC view, hot desk area** – With one large 8-person desk make collaborative and individual work easy. The multi-function room, with additional seating can be seen in the rear.

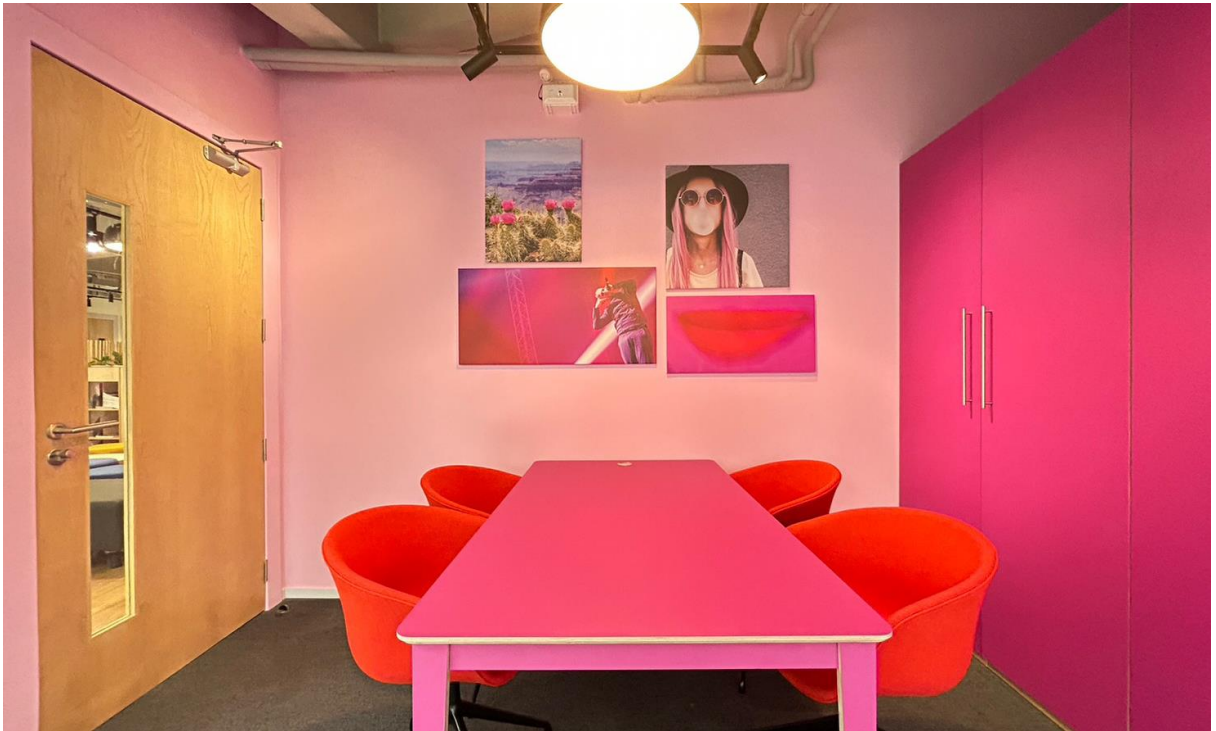

- ▶ **Internal UAC view, hot desk area** –Hidden HDMI, LAN and power sockets preserve the clean-line look. The server room with additional storage racks for marketing collateral and equipment can be seen behind the table.

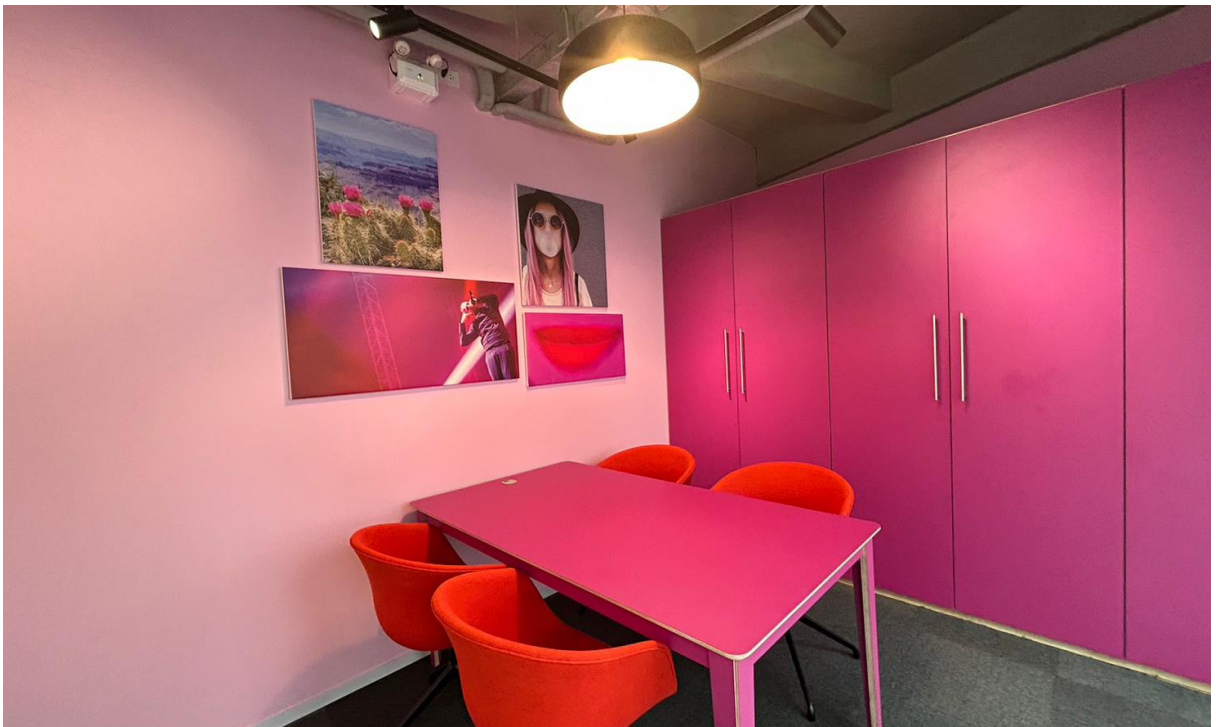

- ▶ **Internal UAC view, hot desk area** - IT savvy, modern and vibrant. The unique UAC design and concept brings students and educators closer together through technology. Complimentary Wi-Fi and power outlets are available throughout the centre.

- ▶ **Internal UAC view, hot desk area** – The large table desk located just beyond the reception makes it easy to interact with any visitors. The open, well-lit area provides a variety of workspaces for staff and international officers.

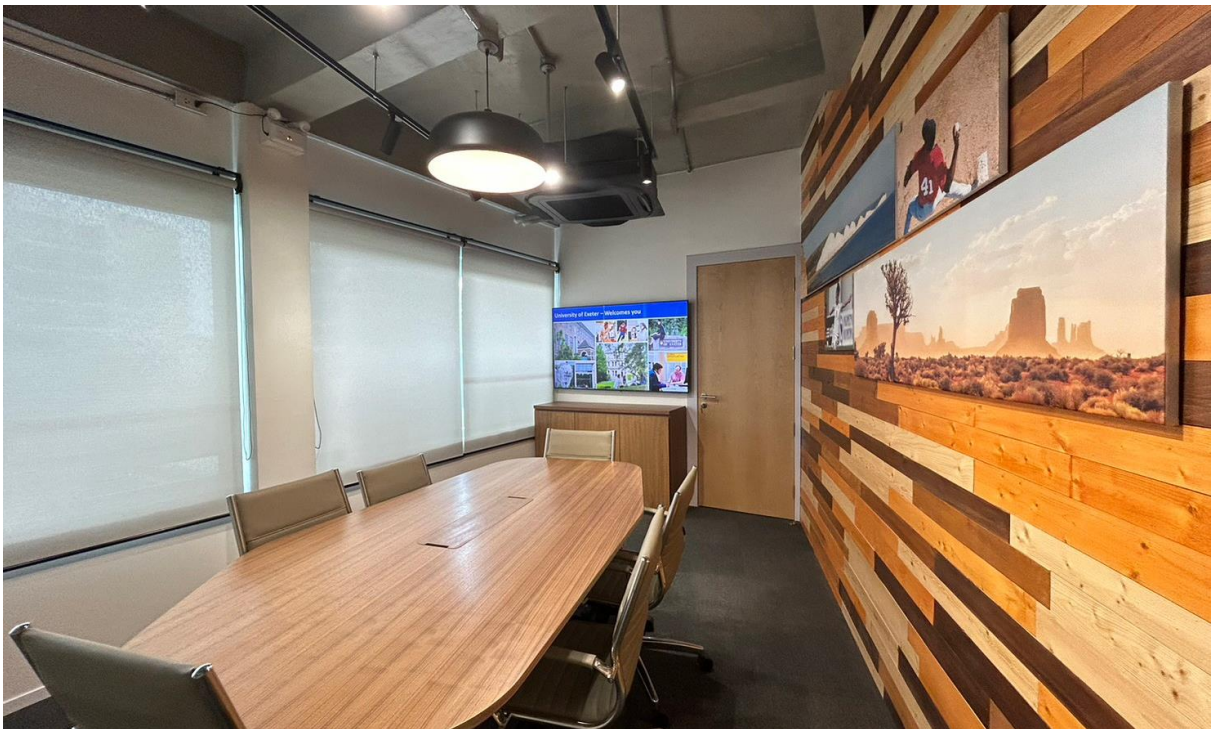

- ▶ **Interview room** – The centre includes one interview room that can be used for consultation sessions with students, parents and other stakeholders. It can also be used by university staff to liaise with their in-country international officers.

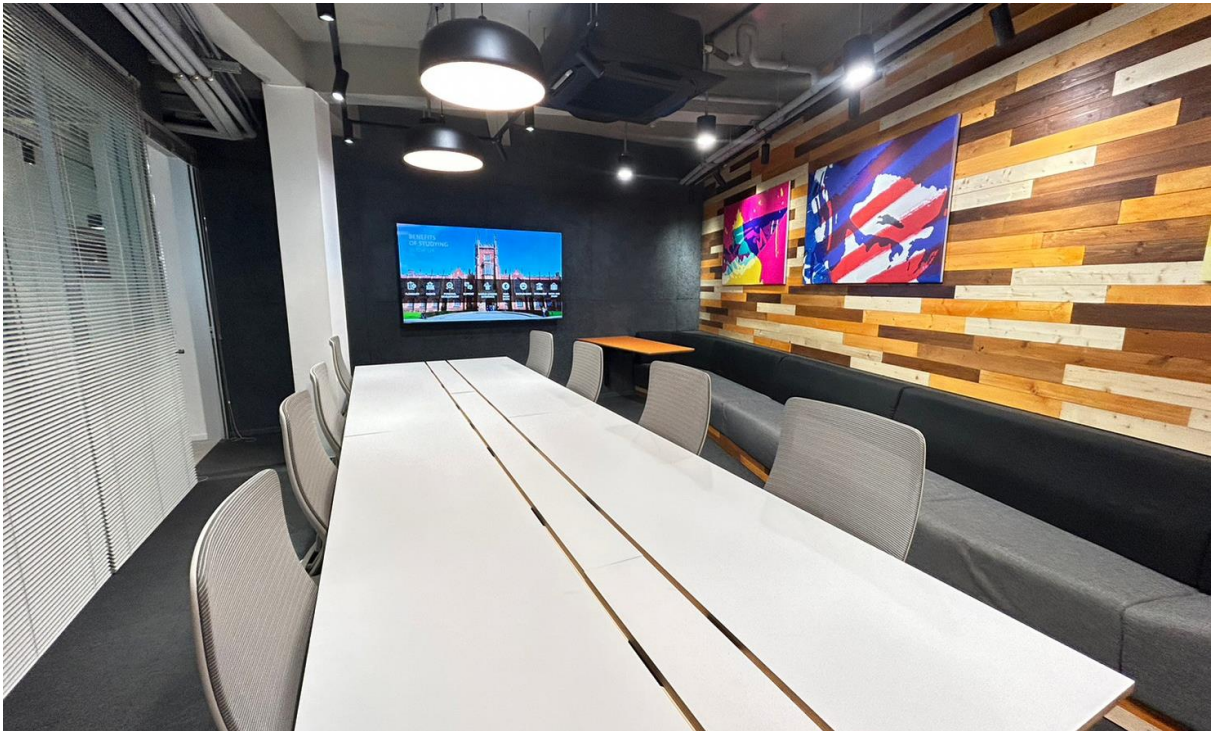

- ▶ **Interview room** – The soundproofed interview room has excellent lighting and Wi-Fi. In addition, there is ample storage space which can be used by staff to store brochures and other marketing collateral.

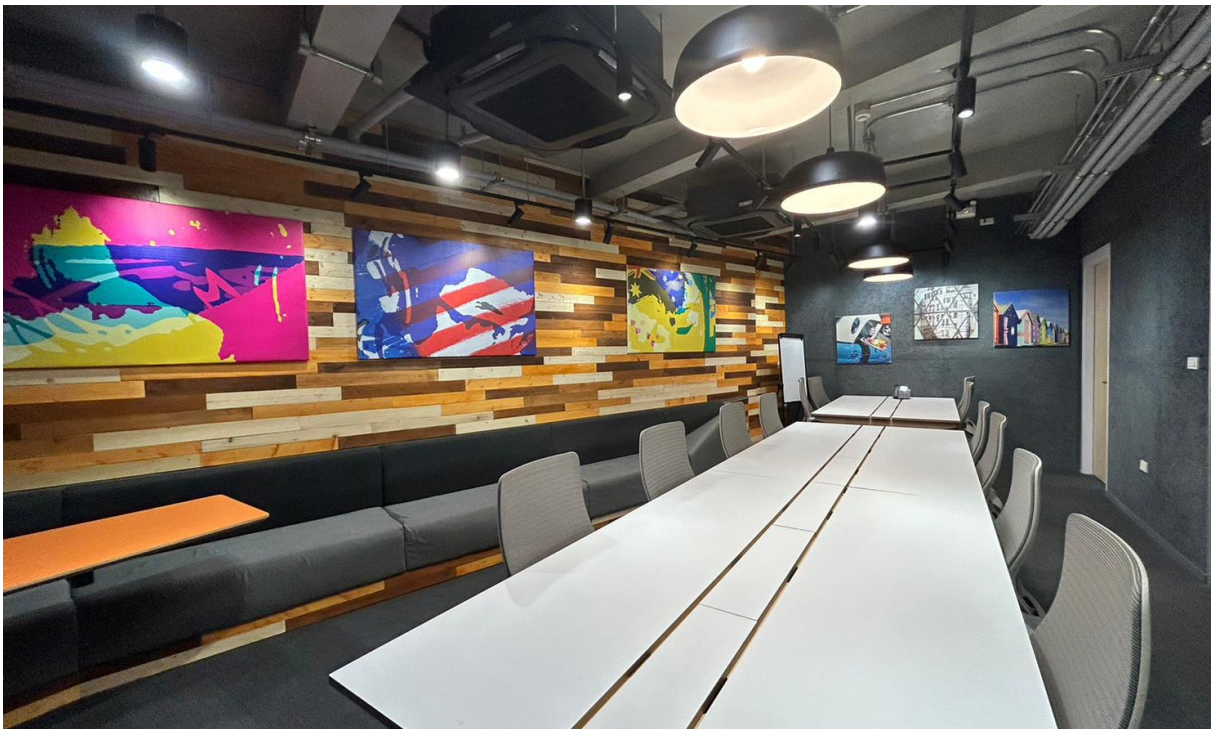

- **Conference room** – Situated towards the rear of the centre, the conference room has space for up to six people. Fully equipped with a smart screen and HDMI/Airplay connectivity, this room can be used as a staff office or for online and offline meetings.

- **Conference room** – The panoramic windows facing the exterior fills the room with natural daylight. All windows are fitted out with blinds to ensure privacy when needed.

- ▶ **Multifunction room** – The multifunction room can be used by university partners and other stakeholders for private presentations, seminars and workshops. It can also be used for academic delivery.

- ▶ **Multifunction room** – 12 workstations with dedicated power, HDMI outlets and LAN connections. Equipped with a smart screen TV that links to the centre internet and allows for seamless connectivity to laptops and other devices.
