User Experience Lead

Context

INTO's mission:

Through innovative partnerships with leading universities we expand opportunities for higher education, ensuring success and transforming the lives of our students and staff.

Across the world, there is increasing demand for top quality higher education, with more and more students demanding access to provision beyond their home country. INTO partners with universities in three continents to address this global demand and help transform their international capacity and performance. Since 2006, we have successfully launched partnerships with 22 universities in Europe, North America and Asia. We have enrolled over 67,000 students from 166 countries and now have about 1700 employees, based round the world.

Our website <http://www.intoglobal.com/> has details of how we are organised and our outstanding achievements so far

Requirements

The User Experience Lead will be responsible for developing and continuously improving a user centred approach to web and software product development by working with multi-disciplinary teams including product owners, developers, testers, designers, user experience analysts, business subject matter experts and other stakeholders. The jobholder will also be expected to source and manage other UX contributors as necessary.

Salary
