

Job Description Fundraising & Communications Officer

Context

INTO Giving is a UK and US registered charity working globally to help disadvantaged and impoverished children

- ⊗ **Into school**
- ⊗ **To stay in school**
- ⊗ **To do better at and complete school**
- ⊗ **To receive a solid and meaningful education that helps them improve their lives**

INTO Giving is the charitable offshoot of INTO University Partnerships (IUP), which has more than 1,800 employees and, every year, more than 12,000 students from more than 100 countries across the world. The charity educates these audiences on the power of philanthropy, how it shapes people - particularly young people - as individuals, and how it shapes communities and global society.

We raise awareness of our work and opportunities to engage in philanthropy through presentations at universities, IUP publications, the charity's website and e-newsletter, and through social media. This has resulted in thousands of young people and IUP staff shaping a better idea of philanthropy, its ease and its power, and engaging in fundraising and other activities that help some of the most disadvantaged children have access to and stay in education.
