## Video Producer

### Context

**INTO's mission:**

***Through innovative partnerships with leading universities we expand opportunities for higher education, ensuring success and transforming the lives of our students and staff.***

Across the world, there is increasing demand for top quality higher education, with more and more students demanding access to provision beyond their home country. INTO partners with universities in three continents to address this global demand and help transform their international capacity and performance. Since 2006, we have successfully launched partnerships with 22 universities in Europe, North America and Asia. We have enrolled over 67,000 students from 166 countries and now have about 1700 employees, based round the world.

Our website <http://www.intoglobal.com/> has details of how we are organised and our outstanding achievements so far

### Requirements

Do you have brilliant filming and editing skills? Do you thrive as part of a dynamic, high-performing team? You could be the person we're looking for.

The Video Production team based in Brighton, UK require a talented junior level video producer and editor to join us in creating top quality video content that showcases the international study experience at its best and most realistic.

This is an opportunity for a creative visual storyteller to capture the international student experience through video. We need an enthusiastic, self-driven professional, with great ideas and a good technical knowledge of production and post-production techniques. You are adept in camera operation, and have a talent drawing out a compelling story from your subjects and creating engaging pieces of content.

There will be UK and US travel opportunities, so flexibility is a must. You are a confident and empathetic communicator, comfortable with building relationships at all levels. Outside of project-related travel commitments, the role is based in Brighton

This is a fantastic opportunity for a film or media graduate to put their skills to great use as part of a friendly and innovative team. Sound good? Get in touch!
